Chemical Protective Clothing

Protection To Parts Of The Body

Wash Care Instructions :-

Standard And Bespoke Sizing Requirements

Alpha Solway Limited make the statement that manufacture of this garment is in sizes either bespoke for the individual or can be supplied as per normal sizing designations.

Product Designation

This garment has been manufactured to meet the stringent demands of **BS EN 467 : 1995**.

Tested To BS EN 467 : 1995

Test results are obtainable from the manufacturer, from which the performance levels of the tested product can be ascertained.

*Explanation Of The Pictogram

The pictogram of the "chemical flask" indicates that this garment has been tested as Chemical Protective Clothing - Protection To Parts Of The Body - in accordance with the requirements of **BS EN 467 : 1995**.

Application

This garment provides **Chemical Protection To Parts Of The Body**, in accordance with the requirements of **BS EN 467 : 1995**.

It is recommended that when wearing this garment that the use of a Waterproof Adhesive Tape, to cover potential entry points such as Cuffs and Neck Area, be considered.

For certain applications Approved Ancillaries such as Hoods, Boots, Gloves and Respiratory Equipments must be worn with this garment.

Alpha Solway Limited and it's distributors cannot accept responsibility for improper use of this garment.

Limitation On Use

This garment provides protection WITHIN THE APPLICATION of **BS EN 467 : 1995** as Chemical Protective Clothing - Protection To Parts Of The Body.

Whilst use of a combination of such products can afford a degree of full body protection it is recommended that in areas where such protection is required a **one-piece suit** be worn.

Storage And Maintenance

It is recommended that the Wash Instructions as detailed on the care label are followed.

The following information should also be noted and followed:-

- 1... It is recommended that the garment be **RINSED DOWN ONLY** to remove chemical contamination and allowed to drip dry well clear of continuous UV (Sunlight) or Artificial UV (Lighting) Sources.
- 2... This garment has been decontaminated in accordance with the care instructions a maximum of 25 times.
- 3... Store in a cool dry environment – always hang to avoid creases.
- 4... For safety, always check garment for Creases, Damage, Pin Tears or Holes prior to wear. If the material becomes torn, abraded or punctured, the wearer should discontinue use to avoid potential exposure to hazard.

Should you require any assistance or further technical information regarding this garment, please phone the Company at the telephone number provided, and ask for the **Sales Department**.
